Sir:

The United States Patent and Trademark Office ("USPTO") issued a corrected Filing Receipt in response to a Request For Correction Of Filing Receipt filed August 23, 2002. The corrected Filing Receipt still contains an incorrect information in the "Foreign Applications" section. The data "GERMANY 100 35 401.7 07/19/2000" should be removed from the "Foreign Applications" section. The above-identified application claims foreign priority benefits to Italian Application No. MI99A001894, filed September 9, 1999. Accordingly, under the "Foreign Applications" section, the correct data should be:

ITALY MI99A001894 09/09/1999

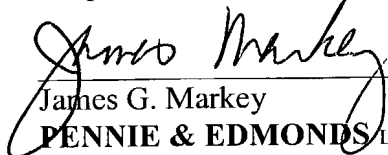

A copy of the corrected Filing Receipt with the corrections noted thereon in red and a copy of the executed Declaration by the inventors indicating the correct foreign priority data are enclosed herewith.

It is respectfully requested that a corrected Filing Receipt be issued bearing the correct foreign priority data and that the correction be entered into the file of the above-identified application.

No fee is believed to be due for this request since the error on the Filing Receipt is on the part of the USPTO. Should any fee be required, please charge such fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Date: June 27, 2003
